### TSA CHANGES - ARRIVE EARLY

Please be aware of the recent changes to [TSA screening procedures](#), including the requirement to place powder-like substances over 12oz./350ml in your checked bag when traveling on an international flight to the United States. For more information on powder restrictions, visit [delta.com](http://delta.com).

In addition to these changes, many airports are experiencing a high volume of travelers, resulting in long check-in, baggage drop and security checkpoint lines. Please plan to arrive at the airport at least 2 hours prior to your departure when traveling domestically (within the U.S) and at least 3 hours prior to your departure when traveling internationally. We also encourage passengers to check-in online at [delta.com](http://delta.com) or via the Fly Delta app to help avoid delays.

## NEW BRANDED BOARDING ORDER

Effective January 23, 2019, boarding order will be based on the branded fare you purchased in an effort to bring consistency and clarity to the gate and boarding experience. Please note your branded fare group before boarding. SkyMiles® Medallion® Members and eligible Credit Card Members will continue to receive priority boarding. Learn more [here](#).

## RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags starting January 15, 2018. Smart bags with non-removable lithium-ion batteries** will not be permitted as carry-on or checked baggage on any Delta mainline or Delta Connection flight. For more information, please visit our [News Hub](#).

Hoverboards or any lithium battery powered self-balancing personal transportation devices are also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found [here](#).
